
HP Hardware Purchasing – Personal Purchase

JHSPH Information Systems (IS) is in the process of transitioning to Hewlett-Packard (HP) computers. We are working with HP to create a custom Personal Purchase site. In the meantime, we will be directing you to one of HP's premier partners. Please note the changes in the instructions below.

Instructions for Purchasing HP Computers and Peripherals for Personal Use (Using your own personal funds)

Navigate to the GovConnection Personal Purchase site:

www.govconnection.com/jhupersonal

Please use the Informations Systems guide for your purchase:

http://www.jhsph.edu/is/PC_Recommendations

Note: The 8000 Elite is the recommended model for MiniTowers and Small Form Factors. The EliteBook 8440p, 8540p and 2530p are the recommended laptop models.

If you have any questions, please contact Jennifer (de Guzman) McCullough at jdeguzma@jhsph.edu or call 410-955-3566.
