Title: Institutional Assurance and Commitments	Date Effective 3/23/04	Supercedes P&P dated

Ethical Principles

All JHSPH human subjects research activities are guided by the ethical principles of respect of persons, beneficence and justice, as laid out in *The Belmont Report*. All faculty, students and collaborating investigators, and CHR members and staff, are expected to be knowledgeable about the principles outlined in this report and to apply them in both the review and conduct of human subjects research.
