**"BECOMING A FULL SERVICE  
COMMUNITY SCHOOL"**

*The Family & Community  
Resource Center*

**We are:**  
Committed to the growth and development of all children and families at Tench Tilghman Elementary.

**We believe:**

- ◆ all students can learn and achieve;
- ◆ parents are the first educators of their children;
- ◆ students must be active participants in their own learning; and
- ◆ the responsibility for educating our children should be shared among students, parents and educators.

*Vision Statement:*

For children to succeed in school, they need healthy families. Our aim is to support families and to work with parents in cultivating healthy and secure home environments where children can flourish and learn.

*Our Goal:*

To increase the level of family and community support and involvement at Tench Tilghman Elementary to improve student achievement.

*How Do We Do This?*

- ◆ By finding out from you the services and resources you are most in need of
- ◆ By linking you with the appropriate community resources.
