A Catholic Charities Agency

## Hispanic Apostolate

### Hispanic Apostolate

A Catholic Charities Agency

**Serving Hispanics—  
today and for the future.**

**Sirviendo a los Hispanos—  
ahora y para el futuro.**

### Mission

Since 1963, the Hispanic Apostolate, a Catholic Charities agency, has been "mindful of God's call to care for the "alien in your midst". We at the Hispanic Apostolate offer hospitality and pastoral, social, and educational services to Hispanics and other immigrant peoples so that they can experience our welcome, can be integrated into our community, and can share in the gifts God has given us. **We seek to share material and spiritual aid to the Spanish-speaking people; to help them to share the benefits of our society; and to enable them to share their own cultural heritage to the community."**

"All hispanics need to thank God for finding like the Hispanic Apostolate, where all hispanic unconditional help, and the objective is serless-fortunate people."

**"Todos los hispanos debemos dar gracias por encontrar un lugar como este donde los hispanos encuentran ayuda incondicional cuyo objetivo es servir a los más necesitados."**
