

Johns Hopkins Bloomberg School of Public Health
Epi of Aging Journal Club

Please join us **Monday, September 14th, 3:00-4:00 PM**, for the first **Epi of Aging Journal Club** of the year.

Priya Palta will present:

Health behaviors from early to late midlife as predictors of cognitive function: The Whitehall II study.

Sabia S, Nabi H, Kivimaki M et al. Am J Epidemiol. 2009 Aug 15;170(4):428-37.

CENTER ON AGING AND HEALTH

SMALL Conference Room

2024 E Monument Street, Suite 2-700

Thank you!

HOW TO USE E-RESERVES FOR EPI JOURNAL CLUBS:

Go to the home page for Welch e-reserves (<http://eres.welch.jhmi.edu>)

Select **Electronic Reserves & Reserves Pages**.

Type "**xxx**" (no quotation marks) into the blank field and hit enter. (The default setting is to search by Course Number. The full course number for the journal clubs is 340.xxx.)

Select the **Epidemiology Journal Club** link. The password is **epi**.

Single click the folder for the group you're interested in to view and download articles.
