

MCH Student Fellows Leadership Skills Training Program  
**Call #2: Friday, March 6, 2009**  
**3:30 to 4:30 p.m. EST**

**Topic: Basic Leadership Concepts**

Drawing from Module 3 of the MCH Leadership Skills Development Series:  
Building and Supporting Teams

Learning Objectives:

- Participants will appreciate the different functional (as opposed to professional) roles team members play
- Participants will draw from their and their colleagues' experiences to identify effective and ineffective team dynamics
- Participants will understand the role of leadership in fostering an organizational climate that empowers people

**Preparation for Call 2:**

- A) Watch the mini-lecture video on "Building and Supporting Teams" in Module 3 of the MCH Leadership Skills Development Series. <http://www.ihsph.edu/wchpc/MCHLDS/m3.html>
- B) Watch the video clip called "What makes a good team? A bad team?" in the Module 3 section. <http://www.ihsph.edu/wchpc/MCHLDS/m3.html>
- C) Complete the Reflection Questions on following page.

**Resource for Further Study:**

The Maternal and Child Health Leadership Competencies <http://leadership.mchtraining.net>
