

THE FAMILY TREE

Mission

Partnering with caring communities to grow strong families...The Family Tree is a statewide organization whose mission is to prevent child abuse and neglect.

Vision

*Roots in every neighborhood...*The Family Tree will broaden its roots and extend its branches to cultivate and sustain a family and community advocacy system that allows all of Maryland's families to build necessary capacities for nurturing healthy children. Strength-based, culturally relevant, and family-centered services designed to meet the challenges of contemporary families and built upon sound, research-validated practices will become the hallmark of our agency.
