Students complete 57 credits in required courses. A minimum of 64 credits must be completed in order to proceed to the field placement in the second year. Students choose their remaining elective coursework in consultation with their advisors; courses can be taken from within the HPM department or the School of Public Health to meet the 64 credits.

AY 2012-13

Each term of the second year, students must register for the course MSPH Field Placement in Health Policy, 308.810, for 12 credits.
