

## General Information

### Course Location

ATC Associates, Inc.  
8989 Hermann Drive, Suite 300  
Columbia, MD 21045

### Cost

\$640.00 includes refreshment breaks, luncheon, review notebook, ABIH and BCSP credits.

### IMPORTANT

**The \$640.00 TUITION DOES NOT INCLUDE EXAM REGISTRATION.** CHMM Exam Registration must be received by the Institute of Hazardous Materials Management no later than six (6) weeks prior to the examination. Please contact the Institute of Hazardous Materials Management directly for qualifications for sitting for the exam. Phone (301) 984-8969. <http://www.ihmm.org>

### Hotel Information

Please check the Johns Hopkins ERC website for a link to a list of hotels in the Baltimore and Columbia, MD area: <http://www.jhsph.edu/erc/ce>

**Review Course Date**      **CHMM Examination Date**  
March 23,24,25, 2004      March 26, 2004

### Cancellations

Registrants unable to attend may send an alternate or attend a future course. The registration, less a \$50 service charge, is refundable if written notice of cancellation is received two weeks prior to course start date. No refunds will be issued for cancellation after this date. Johns Hopkins University reserves the right to cancel the course with full refund.

### Join the ACHMM

The National Capital Chapter of the Academy of Certified Hazardous Materials Managers (ACHMM) is based in the Washington, D.C. area with members from Northern Virginia and Baltimore. Annual Dues are \$20.00. To join, see the NCC-ACHMM website at <http://www.nccachmm.org/form.htm>

To help you prepare for the exam, "Hazardous Materials Manager Desk Reference" and "Managing Hazardous Materials" are available for \$58.00 each with paid chapter dues. For more information, go to: <http://www.nccachmm.org/books.html>

## Who Should Attend?

- Individuals preparing for the CHMM exam.
- Professionals already working in the field who desire an overview of the areas of professional competency covered by the CHMM exam.

## Course Description

This course will provide a comprehensive overview of the field of hazardous materials. The course will assist in preparing you to take the Certified Hazardous Materials Manager (CHMM) examination, as well as provide you with continuing education in the management and control of hazardous materials. Course topics are focused on core areas included in the certification exam.

Additional course information may be found at the website: <http://www.nccachmm.org/certover.html>

## Faculty

All of the faculty are practicing professionals in the field of hazardous materials management and are employed in business, industry and government agencies. They will share a wealth of experience, knowledge and professional insights.

The Certification Overview Course offered by the National Capital Chapter does not “teach” the examination. It is intended as an overview of the body of knowledge encompassed by the CHMM exam specification, and a review of material which many professionals may not encounter every day on the job because of their particular specialization. The “pass” rate for the CHMM examination is approximately 70%. Successful candidates have broad educational background and professional experience of the covered subject matter. The Sponsor Affiliates make **no** representation or guarantee that any course attendee will pass the CHMM examination.
