

Principles of Environmental Health/Sanitarian Review Course

<http://www.jhsph.edu/ERC/Sanitarian>

Sponsored by:

- The Maryland Department of Health and Mental Hygiene
- The Maryland Conference of Local Environmental Health Directors
- The Maryland Department of the Environment
- The Johns Hopkins Center for Occupational Safety and Health
- The Mid-Atlantic Public Health Training Center
- The Center for Excellence in Environmental Public Health Practice

Dates:

Week I May 5-9, 2008
Week II May 19-23, 2008

Hours:

9:00 AM – 5:00 PM Daily

Purpose:

This two week course provides an introduction to the concepts and principles of environmental health for public health practitioners. Designed primarily for sanitarians-in-training who are preparing for the State of Maryland Registered Sanitarian examination, it will also be helpful for those who desire a review of environmental health.

Location:

Maryland Dept of the Environment
1800 Washington Blvd
Baltimore, MD 21230
(410) 537-3000

Topics Include:

- Perspective of Environmental Health for Maryland
- Board of Environmental Sanitarians
- General Health & Scientific Concepts
- Occupational Health & Safety
- Program Planning and Legal Aspects
- Water & Waste Water
- Waste Management
- Water
- Recreation
- Vector and Pest Control
- Radiation
- Hazardous Materials Management
- Air Quality and Noise
- Housing and Institutions
- Food

Participants are required to provide the following by the 1st day of class:

- Place of Employment
- Classification or Job Title
- Employment Status
- Permission to release your grade/attendance to DHMH
- A copy of the book: *Environmental Engineering and Sanitation* by Joseph Salvato
