

Graduate Summer Institute of Epidemiology and Biostatistics

Homewood Parking Form

If you plan to drive to Baltimore and wish to keep a car at the Homewood campus, please complete the following form and return it the Summer Institute office by June 2, 2008

Summer Institute participants will be able to park at the San Martin Drive Garage, approximately four blocks from the residence halls. Written directions to the garage will be given to you at check-in and there will be shuttle service provided during check-in and check-out times. For those people who are unable to walk the distance, the Parking Office (410-516-7275) does have a courtesy van available on a limited basis. If you must access your car at anytime that you do not feel safe walking to the garage, Security (410-516-4600) can be called for shuttle service.

The cost for long-term parking is **\$7.00 per day, or 25.00 per week**. Parking fees must be paid in advance of your arrival. At check-in you will sign for and receive a scan card for the garage from the conference services staff. At check-out you will be instructed to drop the scan card in a box located at the garage exit. If you forget to drop the card in the box at the garage, you must return it to the conference services desk in Charles Commons. **A fine of \$5 will be assessed for unreturned or lost cards.**

Please complete and mail/fax/email to:

Ayesha Khan
