

RealPlayer

Video files are in RealPlayer format. If the video file you have chosen will not play, you may not have RealPlayer on your computer. RealPlayer is a free audio/video player for Windows and Mac and it can be downloaded quickly and easily.

To download RealPlayer:

1. Click this link: <http://www.real.com/freeplayer/?rppr=rnwk>
2. Choose the download link listed next to your operating system.
3. Follow the instruction on the download webpage.
