

Anticipated Certificate Course Schedule

Name of Student: _____

Certificate Program Name: _____

Certificate Program Start Term (ie. 1st Term, 2nd Term, etc.): _____

Certificate Program Starting Academic Year (ie. AY 2021-22, etc.): _____

The start term and academic year must match the application term for which you are applying, and in which you will take your first course for academic credit.

Please check the [JHU catalogue](#) for the certificate program to which you are applying and use the curriculum to complete this schedule of courses. To do so, you may need to access either the Bloomberg School's [course directory](#) or its [Academic Calendar](#). Also, students should be aware that they will need to complete [Introduction to Online Learning](#), a free non-credit mini-course, prior to registering for any online courses. Students should not list [Academic and Research Ethics](#) in the table below as they will be automatically enrolled in it during their first term of study; this non-credit course must be taken in conjunction with a credit-bearing course.

Course Number	Course Name	Term Course will be Taken	Academic Year	Online or On-campus	Number of Credits
Total Number of Proposed Credits to Complete Certificate Program:					

Individuals accepted into certificate programs may only enroll in coursework that has been approved as part of that program. *It is not possible to enroll in coursework outside of the certificate curriculum.*

By signing this document and submitting it, you are indicating that:

- If you accept an offer of admission, you will register for courses in the terms that you have indicated.
- You will obtain written approval from your certificate program contact (listed on the program's [webpage](#)) prior to deviating from your anticipated curriculum.
- The term you have listed as your start term is the one in which you will begin taking certificate coursework.

Signature: _____ Date: _____

Please do not upload the Anticipated Course Schedule into your application as a PDF, as it will appear blank. Please "Save As Other" -> "Image" -> "JPEG". Upload the JPEG image of your Anticipated Course Schedule.
