

Johns Hopkins University
Gainful Employment Disclosure – 2019

Program Name Post baccalaureate certificate program in Quantitative Methods in Public Health

This program is designed to be completed within 24 weeks.

This program will cost \$24,402 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

The number of students who completed the program in 2017-18 is too small to report their median debt, for privacy reasons.

No US states have licensure requirements for this program.
