CREATE A POWERFUL GLOBAL RESUME or CV
Would you like to turn your resume or CV into a powerful marketing tool to help you with your career transition or job search? Join us for this strategic webinar on how to create a resume or CV that helps open doors and get results! Bring your resume or CV and ask your questions so you can make immediate changes. You will find out what information to include for your country and learn how to write culturally-appropriate statements of your experience that help you stand out. There will be Q&A.

Thursday, September 17th, 2015
TAKE YOUR BUSINESS DEGREE/MBA ABROAD!
Companies, nonprofits and governments around the world look for MBA graduates. This webinar focuses on the strategies and steps to take to find an MBA-related job or internship outside of your home country. There will be time for Q&A.

STRATEGIES FOR TARGETING H1b EMPLOYERS
Are you looking for employment in the USA but are not a U.S. citizen? Do you need to find an employer who will sponsor you for a work permit? Thousands of U.S. employers hire people on H1bs each year, but landing an opportunity with this special work permit/visa status can be challenging. Join this webinar to learn strategies on how you can strategically approach H1b employers for U.S. employment. Also covered are tips for finding alternatives to the H1b for U.S. employment. There will be time for Q&A.

TIMES OFFERED
All webinars are offered twice each day to accommodate participants in different time zones:

1st Webinar Time:
- 11:00 am Eastern Time; 10:00am Central Standard;
