PHASE Internship Symposium

Friday May 8, 2015

8:30 a.m. - 3:30 p.m.
DHMH, 201 W. Preston Street, Conference Room L-3, Baltimore, MD 21201
Light Lunch provided!

Join us to hear graduate students from the Johns Hopkins Bloomberg School of Public Health present their internship projects conducted with the Maryland Department of Health and Mental Hygiene and the Baltimore City and County health departments.

Snapshot of Presentation Topics:

- Analyzing influenza vaccination rates among healthcare workers
- Advancing Health in All Policies to improve Baltimore City
- Describing outpatient visits for rabies post exposure prophylaxis in Maryland
- Policy analysis, research, and development for 2015 Maryland General Assembly session
- Understanding the impact of the Medicaid expansion on former foster youth in Maryland
- Describing outcomes of a cancer screening quality improvement project
