Updating Personal Information in SIS (Address/Phone Number)

Log into SIS.

On the home screen, hover over the **Personal Info** section until the dropdown menu appears.

Select **Summary**.

From here, you can see what information you are able to add or edit.

**Address Information**

- **Permanent:** [edit]
- **Local:** [edit]

**Phone Information**

- **Permanent:** [add]
- **Local:** [add]
- **Wireless:** [add]

**IMPORTANT:** If you are updating your address in order to utilize JHU SafeRide, you must update your **LOCAL Address**.

These changes can take up to 48 hours to feed into all of the systems. If you are still having issues after that time, please contact the registrar’s office (JHSPH.Registra@jhu.edu).
