DO YOU USE HEROIN?

If you are 18–65 and trying to stop using HEROIN, we need you for a RESEARCH STUDY in EAST BALTIMORE. You may be able to participate in a research study that requires outpatient visits, as well as an 18-day inpatient stay.

Our study uses an FDA-approved medication to see if it can work for a new use: easing the discomforts of detox from opiates.

ARCHWAY

Participants will receive at no cost:

- Buprenorphine-aided detox from opiates over 27 days
- Counseling
- Help connecting with community resources

Participants are paid for time.
