Phone: 410-396-9410 or 410-396-0176.
Ask for Alex, Tawana, or CHARM staff.

Email: Charm.HCV@baltimorecity.gov

Tips for a healthier liver:

- *Reduce your alcohol consumption*
- *Limit use of acetaminophen (Tylenol®)-containing painkiller medications*
- *Get your Hepatitis A and B vaccinations*
- *Reduce your consumption of sugary and fatty foods*
- *Eat more fruit and leafy greens*

Program Overview

The CHARM program was developed to identify persons with chronic hepatitis C infection and provide appropriate treatment with the goal of achieving cure and enhancing quality of life.

Services Offered

- Hepatitis C specialty care with experienced clinical providers, including specialized treatment for persons co-infected with HIV
- Linkage to care assistance
- Liver elastography (*Fibroscan*) Wednesday-Friday at **620 N Caroline Street only**
- Individualized case management services

- Medication adherence teaching and support
- Insurance assistance

CHARM Staff

The CHARM program is a dedicated team of specialty clinicians and support staff, including: medical providers, registered nurses, rapid testers, linkage to care workers, and specialized case managers.

Scheduling Appointments

Providers or patients interested in scheduling appointments for any CHARM services should contact one of our staff members, Alex Niculescu or Tawana Williams.

CHARM Locations and Hours

Druid Health District (DHD)

1515 West North Ave.

Mon-Weds, Fri: 9AM-4PM

Were you born between 1945 and 1965?

Have you ever injected drugs or shared non-injection drug using equipment, like straws or pipes?

Have you gotten a tattoo from a tattoo party?

Have you ever been incarcerated?

If the answer to *any* of the above is YES, you should get screened for Hepatitis C!
