

The Military Impacted Schools Association (MISA) is proud to partner with Dr. Michael Blum and the Military Child Initiative (MCI) to offer continuing education credit for the military on-line course.

Two continuing education credits will be offered for completion of all fourteen modules; one continuing education credit will be awarded for the completion of seven modules.

If you are interested in continuing education credits e-mail carolmisa@aol.com or call (800) 291-6472. For each continuing education credit, participants will need to submit a plan on how to address one of the following topics at the school or classroom level—first, highlight the problem and then identify a specific solution you would implement at the district, school, or classroom level:

- Mobility
- Deployment
- Students in crisis
- Building student resilience
- School connectedness
- Partnerships
- Interventions
