Thank you for attending this year’s annual symposium, Child Sexual Abuse: A Public Health Perspective.

Our goal at the Moore Center for the Prevention of Child Sexual Abuse, is to change the way people think about child sexual abuse from inevitable to preventable, and ultimately, contribute to millions of boys and girls growing up safe from sexual abuse.

Please keep in touch.

- Visit us online at jhsph.edu/moorecenter
- Support our mission by making a donation at jhsph.edu/giving/. (Please designate that the donation is for the Moore Center).

Thank you to the HAND Foundation for their generous support of this year’s symposium.
