

Dear Spring 2021 Expected Graduates

The Graduation Application Verification is now open for you to confirm your information. We ask that you please review your **Diploma Name and diploma address** to ensure accuracy, then click the verification box at the bottom and Submit.

The application verification is available in SIS Self Service under Program of Study and will be open through March 19, 2021.

As Dean MacKenzie mentioned in her [email](#) on March 1, all 2020-21 graduates should expect additional information regarding virtual ceremony participation within the next few days and information will be posted to the school's [graduation page](#) as it becomes available.

Thank you for your attention to this matter and best wishes for the remainder of the year.
